Rebecca Skiba sent you an email on August 19, 2014. I will forward you that email. Also, Bart was in contact with a Kim White on August 27. He sent her some information about the Site and forwarded that email to you as well. I spoke with Ms. Skiba on August 19, and they were trying to determine internally if Marathon Oil or Marathon Refinery would be responding to the SNL. I haven't heard from them as of today. I called and left a message for Ms. Skiba today. Have you received any emails or voice mails from either of these attorney's?

Lance:

I just checked my file on Wilcox, I do have any response from Marathon Oil.

Who was the POC for Marathon Oil ?
Who was the addressee for Marathon Oil ?

We did not reach out them to find where is their response to the SNL.

Thanks,

To date we have received responses from BP and BNSF, both have declined to participate. Sunoco/Sun Oil have until October 15, 2014, to respond to the SNL. I'm waiting to hear from Marvin
